

Jack and Jill

Nov - Dec 2010

First of all I would like to thank you all for attending our parents evening, we hope that you found it both enjoyable and useful . Please can I ask if you haven't already done so could you please fill in a questionnaire, these are located on the parents table; Your opinion means a lot to us.

I hope you all had a good Halloween and Bonfire night. We had great fun celebrating Halloween on Friday 29th, It was lovely to see all the children dressed up in their costumes. We had lots of spooky witches, pumpkins, devils and much more.

We will be starting our winter activities soon and as you're all aware the weather is getting wetter and colder so we would like to ask that you provide your children with wellie, labelled with their name inside, as we love to play outside in all weathers. And we really love to splash in puddles. Also spare clothes

In case we get a little bit dirty / wet whilst we are having so much fun.

So what have we been up to at nursery?

We have been looking at Autumn, Halloween and bonfire night . We have been talking about what goes on and what we do to celebrate these events.

The children had great fun doing lots of art and crafts including leaf printing and rubbings, fire work and bonfire pictures and even made their own chocolate apples. We even went collecting leaves from the park and in the garden.

Harvest

The preschool children took part in creating a harvest festival basket we would like to thank everyone for bringing in foods for it. We donated it to the local church and received a thank you card from them. Which is displayed in preschool room

Daily files

As you are all aware your child's daily diary file is filled out each session your child attends nursery, therefore it is extremely important that these are returned each day. In the diary sheet there is a section for parent / carer comments, this can be used to pass any messages on or for you to write a comment on how your child has been at home or what you did at the weekend . If you have any ideas to share about your child's development please write a comment in the box too.

Thank you
